Dear Friend,

The **Malhotra Family Foundation** is proud to present our **Fourth Annual "SHARE Party"**. Following up on three enormously successful years of hosting this event, this year's party is in support of **The Miracle League of Ottawa**. Last year, the SHARE Party generated a total contribution of \$100,000 to the Ottawa Network For Education (ONFE). We hope we can match that wonderful achievement.

Please join us as a Sponsor for the 2014 SHARE Party, on **Friday November 7th**, at the **Sidedoor Contemporary Kitchen Bar** located at 18b York Street in the Byward Market. This vibrant social evening will include cocktails, small plates and dancing. Proceeds generated from this event will be donated to The Miracle League of Ottawa as well as other local charities.

The **Miracle League of Ottawa** aims to provide special-needs children, young adults and adults the opportunity to play the game of baseball (and other sports) on a purpose-built, "Miracle Field". Their goal is to facilitate this opportunity to play baseball on a safe and more enjoyable custom-designed field with a cushioned rubberized surface to help prevent injuries. A Field may also include wheelchair accessible dugouts and a completely flat surface to eliminate any barriers to wheelchair-bound, visually impaired players with special needs. The complex will also include a fully accessible playground built on the same base material.
